TO WHOM IT MAY CONCERN

Pirone Builders of 1/8 Commerce Street, Malaga built our current leased premise at Canning Vale.

During a site inspection I had the pleasure in meeting Adrian and was immediately confident that the proposed speciality works we required would be completed prior to our move in date.

Adrian and his team are to be congratulated on a quality build that was on time and budget. From our first meeting to handover the customer experience is outstanding, which includes the levels of excellence outlined below.

1. Communication
2. Design
3. Build
4. Budget
5. Schedule
6. Post Build - follow up

I have no hesitation in recommending Pirone Builders for any construction projects.

Yours Faithfully
