Attention: Mr. Adrian Pirone

Dear Adrian,

**PIRONE BUILDERS  
COMPANY TESTEMONIAL**

As Kinchrome Australia's project representative for their new Western Australia facility, having worked closely with PIRONE BUILDERS I would highly recommend Adrian and the team.

PIRONE BUILDERS delivered an extremely well finished product, ahead of schedule, offering significant value engineered savings whilst ensuring a seamless handover to reach practical completion.

It was no difficulty working with PIRONE BUILDERS.

It was evident that Adrian has extremely strong relationships with his subcontractors whom all showed care and pride in their work, hence building client trust in delivering a quality project.

IPS would be happy to work with PIRONE BUILDERS into the future for all industrial jobs big or small.

**Kind Regards,**
