TO WHOM IT MAY CONCERN

Pirone Builders of Suite 1, 8 Commerce St Malaga has completed numerous commercial properties for our company.

Recently, these have included our Truss & Frame Factory in Wangara and 3 projects in Canning Vale.

Adrian Pirone and his company have always shown a high level of professionalism.

Their dedication to detail has produced quality construction and commitment to the tasks at hand has facilitated a completion date within the terms of our contracts.

Due to our dealing with Adrian we have no hesitation in recommending Pirone Builders for construction projects.

Yours faithfully

Domenic Biagioni
